

Fundraising Contract

Participation in a Cooperative Preschool requires additional fundraising to offset the costs and low tuition. As a result, we ask each member to commit to a set fundraising/donation amount of \$300.00. There will be a variety of opportunities throughout the school year to raise this amount, or if desired, you may simply “buy-out” by writing a check for \$300.00 to Sunshine Community Nursery School.

If a family withdraws from Sunshine prior to the end of the school year, they will forfeit their last month’s tuition if the fundraising requirement has not been met. It will neither be returned nor applied as the student’s last month of tuition, regardless of whether or not Sunshine has been given 30 days notice of withdrawal.

Thank you for your understanding,
Sunshine Community Nursery School
