

Sunscreen Utilization Form #10

While it is not especially easy for us to guarantee our ability to apply sunscreen, in the event that it becomes quite sunny, or your child has a special need, we will be happy to. If you would like to give us permission to apply sunscreen at Sunshine, please sign below and send sunscreen to school in your child's tote bag when required.

Thank you so much!
Warmly,
Sunshine Teachers :)

I give Sunshine my permission to apply sunscreen on my child when deemed necessary. I agree to provide sunscreen of my choice.
