

Carseat Information

Sunshine Preschool takes field trips once a month on average. On field trip days, the utmost in safety precautions are taken. These include wearing Sunshine t-shirts, student/parent ratio of 2 to 1, no child sitting in the front seat of any car, and all children traveling in a car seat or booster.

The following information will assist the field trip coordinator in arranging for proper seating in the cars that will travel on a field trip. Please be accurate in completing the information.

1. How many car seats fit into the back seat (s) of your car?

2. How many seat belts are in the back seat (s) of your car/?

Lap Belts _____

Shoulder Belts _____

3. What type of seat belt secures your child's car seat? Please check all that can be used.
